& INVESTMENT

Investment IS IT WORTH IT?

**DO I REALLY NEED TO HIRE A PROFESSIONAL
BRIDAL HAIR AND MAKEUP ARTIST?**

yes! yes! yes!

Think about it for just a minute.

You hire a professional photographer to capture the beauty of the day, and chances are YOU will be in most of them.

You invested money on the perfect dress, perfect photos, etc...Investing in completing the perfect look with professional hair and makeup is absolutely worth it.

Not to mention...the experience of you and your closest friends and family getting ready together for one of the most incredible days of your life is not something you want to miss. The getting ready process is half the fun!

You get married once.

Finish your look with investing in a licensed team who can deliver stunning results that photograph beautifully!

The process
WHEN & HOW
TO BOOK

The Process

01 Request a Quote

Visit our website www.tanyacrocker.com to complete our online inquiry form. Once received, we will verify if your date is available. If so, you'll get a quote within 24-48 hours.

02 Pay Retainer

Once choosing your package and accepting the quote, you'll pay your non-refundable & non-transferable retainer.

03 Sign Contract

Sign your contract within 24 hours of paying your retainer.

04 Confirmation

Once all the above has been completed, your date is secure and your artist(s) are reserved.

9-12 HOW FAR IN ADVANCE SHOULD I BOOK?

Wedding Season is year round

Being a destination wedding prime location, we do weddings and elopements all year round. We highly recommend securing your date as soon as possible. Most brides book 12+ months in advance.

A non-refundable retainer & signed contract is required to secure your date.

Please note that due to high demand, we book on a first come first serve basis. A quote does not hold your date, and unfortunately we are unable to alert you when another bride inquires for your date.
